Recognized by Karnataka State PU board, the SEAPUC conducts the 2 year pre-university course, for both boys and girls. The composite college conducts courses in Science, Commerce and Arts, Prescribed by the Karnataka state Pre-University Board. The college places emphasis on interactive learning by nurturing excellence, has been able to successfully groom thousands of young brains into becoming the intellects of young India. The students passing out of this college have soon realized that the tenure had been fruitful and rewarding professionally and personally.

Education at SEA is not just a matter of learning by rote, but quite the opposite. In fact, the band of faculty and highly qualified professionals introduce the students to the threshold of their minds. They act as motivators and facilitators focusing on interactive approach to assure that education is appealing, attractive and alive.

## Vision

To evolve skilled & value based resource professionals, to provide opportunities to the students without any discrimination, to find space for the exponential growth of personality & character, education & empowerment and to face the challenges of tomorrow successfully through quality education.

## Mission

To provide higher education to the students in its vicinity giving equal opportunities to all, equip the student community with academic, social, scientific and spiritual values and to enable them to have an insight into the spirit of transparent governance and public.

## Quality Policy

Committed to Quality education, provide creative learning opportunities, thrust for practical analysis and problem solving teaching methodologies to enable students to become resourceful.

## Founder of S.E.A. Composite Pre-University College

Sri. A. Krishnappa, a visionary, educationist and a philanthropist founded the South East Asian Education Trust in the year 2000 and under the aegis of this trust S.E.A. Composite Pre-University College was started in the year 2002. Sri. A. Krishnappa was a successful politician who remained in mainstream politics for nearly 3 decades. He was elected four times as MLA to Karnataka Legislative Assembly and served as Minister for 8 years holding vital portfolios such as Social Welfare, Animal Husbandry, Sugar & Horticulture.

Sri. A. Krishnappa firmly believed that the socio-economic edifice of this country can only be built on the solid base of education. Realising the fact that Quality Education is beyond the reach of bright and talented students coming from socially and economically backward sections of the society, he started this college with a noble cause of imparting education at affordable price even to such vulnerable sections of the society.

Today the group has 11 institutions including State & ICSE schools offering primary & secondary education, PU & Degree college, School of Management, Teachers training, Nursing, Law and Engineering. All of them are running successfully under the umbrella of SEA Education Trust, providing diversified education right from KG to PG and research degrees.

# Our Management Team & Administration

**Mrs. Manjula A. Krishnappa,**  
Chairman, S.E.A.E.T.

The primary focus of all our efforts at SEA is to continuously fine tune our education delivery systems and internal processes to align with the needs and challenges of the contemporary world. We make continuous efforts to improve the sensitivity of our students to different ethos, which they may experience in the course of their careers. The aim is to make our students autonomous and socially responsible human beings.
